

# Free Nitrate Water-Testing Clinic in Ottertail

Join us for free water testing!

June 29th, 2022

10am – 1pm

Ottertail Community Center

93 Lake Avenue South, Ottertail, MN 56571

Homeowners who use private wells for their drinking water should test for nitrates on a regular basis. Join us for a nitrate testing clinic from 10:00 a.m. to 1:00 p.m.

Bring at least one-half cup of water in either a clean plastic or glass container or Ziploc-type bag to the nitrate testing clinic. To get a good sample, allow the water to run 5 to 10 minutes before filling the container.

Nitrate Clinics are sponsored by the MDA and the East and West Otter Tail SWCDs

If you have more questions, please ask:
