  - East Otter Tail SWCD Office, 801 Jenny Ave SW, Perham MN 56573

Homeowners who use private wells for their drinking water should test for nitrates on a regular basis.

Join us for a nitrate testing clinic from 11 am to 1 pm.

Bring at least one-half cup of water in either a clean plastic/glass container or Ziploc bag to the nitrate testing clinic. To get a good sample, allow the water to run 5 to 10 minutes before filling the container.

**East Otter Tail**  
Soil & Water Conservation District

Nitrate Clinic Hosted by the East Otter Tail SWCD
